SCHEDULE

	EMERGING CONCEPTS AND TECHNOLOGY
7:30-7:45	1st Metatarsal Head OCD Treated with Particulate Juvenile Cartilage <i>Speaker – Dr. Bull</i>
7:45-8:00	Subchondroplasty for Bone Marrow Edema Syndrome <i>Speaker – Dr. DiDomenico</i>
8:00-8:15	Results of Derotational Correction for Lapidus Bunionectomy: A Year Later <i>Speaker – Dr. DeCarbo</i>
8:15-8:30	Early Experience with 1st MTP Polymer Spacer for Hallux Rigidus <i>Speaker – Dr. Bull</i>
8:30-9:00	Panel/Case Discussion <i>Dr. DeCarbo – Moderator</i>
	LIGAMENTOUS INJURIES
9:00-9:15	The Failed Brostrom-Gould: Now What? <i>Speaker – Dr. Smith</i>
9:15-9:30	Chronic Syndesmosis Injury: Approach to Treatment <i>Speaker – Dr. DiDomenico</i>
9:30-9:45	Deltoid Injuries: When and How Do We Repair? <i>Speaker – Dr. Prissel</i>
9:45-10:00	Subtle Lisfranc Ligament injuries: How to Diagnosis and Fix <i>Speaker – Dr. Thomas</i>
10:00-10:30	Panel/Case Discussion <i>Dr. Prissel – Moderator</i>
10:30-11:00	Break
	CHARCOT AND HINDFOOT RECONSTRUCTION
11:00-11:15	Bracing, Inserts, and Walkers <i>Speaker – Dave Deluccia</i>
11:15-11:30	Strategies in Charcot Reconstruction: Framed or An Inside Job? <i>Speaker – Dr. Hewitt</i>
11:30-11:45	Reconstruction of Chronic Peritalar Subluxation <i>Speaker – Dr. DeCarbo</i>
11:45-12:00	What is the Role of the Bridle Procedure? <i>Speaker – Dr. Hyer</i>
12:00-12:30	Panel/Case Discussion <i>Dr. Thomas – Moderator</i>
12:30-1:30	Lunch with Exhibitors
	THE MEDICINE OF SURGERY
1:30-1:45	The Painful Truth: Are Surgeons the Culprit of the Opioid Epidemic? <i>Speaker – Dr. Sundling</i>
1:45-2:00	Multi-Modal Pain Control: It's Not All About Opioid Meds <i>Speaker – Karen Lynch</i>
2:00-2:15	The Biology of Non-Unions: How to Alter the Biology of Bone Healing <i>Speaker – Dr. Smith</i>
2:15-2:30	Bone Marrow Aspirate: What Does It Do and Is It Effective? <i>Speaker – Dr. Prissel</i>
2:30-2:45	Panel/Case Discussion <i>Dr. DiDomenico – Moderator</i>
2:45-3:00	Break
3:00-3:45	Original Investigations from Ohio Podiatric Resident Programs <i>Dr. Smith – Moderator</i>
3:45-5:00	Chief Resident Case Presentations <i>Dr. Bull – Moderator</i>
5:00-6:00	Resident and Young Physician's Social (no CE)

7.5 CATEGORY I CME HOURS

2018 Current Concepts In FOOT AND ANKLE SURGERY SYMPOSIUM

Hosted by the Grant Podiatric Surgical Residency Program
and the OHFAMA Central Academy

Saturday, February 10, 2018 | 7:30 am – 5:00 pm
7.5 Category I CME Hours

Embassy Suites Columbus — Airport
2886 Airport Drive | Columbus, OH 43219

THIS ONE-DAY SEMINAR will present current concepts and techniques in foot and ankle medicine and surgery. Presentations will include panel and case discussions reviewing emerging concepts and technology, ligamentous injuries, charcot and hindfoot reconstruction and more with an expert faculty.

WHO SHOULD ATTEND

Podiatric Physicians, Residents and Students

OBJECTIVES

- Recognize and employ conservative and surgical care to commonly encountered foot and ankle conditions with evidence based medicine and updated technique
- Discuss and solidify current concepts with new trends in foot and ankle pathology
- Measure quality of care with patients by considering treatment options for ligamentous injuries, charcot and hindfoot reconstruction, and pain management.

ACCREDITATION

This Seminar has been accredited by the Ohio Foot and Ankle Medical Foundation Continuing Medical Education Accreditation Committee (the certifying agency in Ohio for podiatry). CME credit is established at 7.5 Category I contact hours for the State Medical Board of Ohio.

NONDISCRIMINATION

No person shall be denied registration or participation in any continuing education program provided by this Association for reasons of race, religion, sex, national origin or physical ability. This program is ADA Compliant. Please notify OFAMF if you require special accommodation for training or attendance at (614) 457-6269.

REGISTRATION

Included with your registration is a light continental breakfast and lunch. Register online at www.ohfama.org; FAX at (614) 457-3375; or mail to: 2018 Surgical Symposium, 1960 Bethel Rd., Ste 140, Columbus, OH 43220-1815. Make check payable to OFAMF. Registration closes on February 6. Registrations postmarked after that date will be charged the \$25 on-site registration fee *without* exception.

CANCELLATIONS

A \$25 administration fee will be charged. Cancellations must be received in writing to OFAMF prior to January 25, 2017. No refunds for cancellations will be honored after that date.

ON-SITE REGISTRATIONS

Online and faxed registration will be closed on February 6; registration cannot be confirmed after that date. For on-site registration, add \$25 to the appropriate registration fee.

CHANGES TO LECTURES OR SCHEDULES

OFAMF reserves the right to adjust or change any lecture or schedule due to unforeseen scheduling conflicts. Note: There are limited spaces and registrations are on a first-come, first-served basis.

FACULTY DISCLOSURE

Each speaker is required to disclose the existence of any financial and/or other relationships (i.e., employee, consultant, speaker's bureau, grant recipient, research support) she or he might have with (a) manufacturer(s) of any commercial product(s) to be discussed during his/her presentation and/or (b) the commercial contributor(s) of the activity. Any such conflict will be announced by the individual introducing the speaker or by the speaker immediately preceding the lecture

FACULTY

CHRISTOPHER HYER, DPM — CHAIRMAN

Dr. Hyer is a fellowship trained foot and ankle surgeon and partner at The Orthopedic Foot and Ankle Center, Westerville, Ohio. This is a unique foot and ankle specialty practice comprised of fellowship-trained MD, DO and DPM foot and ankle surgeons and where Dr. Hyer is Co-director of the Advanced Foot and Ankle Reconstruction Fellowship. Dr. Hyer is also the residency director of the Grant Medical Center Podiatric surgery residency. Dr. Hyer is a very active regional, national and international speaker on foot and ankle reconstruction, orthobiologics and bone marrow aspirate, foot and ankle trauma, total ankle replacement and charcot foot salvage. Dr. Hyer is a dedicated researcher with over 125 peer reviewed published articles in addition to multiple textbook chapters, technique papers and co-editor of the *Primary and Revision Total Ankle Replacement* Textbook.

PATRICK BULL, DO

Dr. Bull attended the Philadelphia College of Osteopathic Medicine and came to Columbus to complete a rotation with the OFA physicians and also completed his residency in Ohio. Following graduation he entered active duty service with the United States Air Force (USAF) and was promoted to Chief of Orthopedic Surgery of the 374th Medical Group. He was deployed across the Pacific Rim with mis-

sions that provided medical support to the President of the United States and the White House Staff during the East Asia Summit meeting in Cambodia. Following his military service he returned to Columbus to complete his fellowship training which specialized in foot and ankle surgery.

WILLIAM DECARBO, DPM

Dr. DeCarbo completed a three year podiatric surgical residency at Grant Medical Center in Columbus, Ohio where he served as chief resident. Dr. DeCarbo completed a twelve month orthopedic foot and ankle fellowship at the Orthopedic Foot and Ankle Center in Columbus, Ohio. He completed a six week traveling fellowship both nationally and internationally learning advanced techniques in foot and ankle surgery. Dr. DeCarbo is active in research in the field of foot and ankle surgery and his research is published in peer reviewed professional journals. He also is a review editor for the Journal of Foot & Ankle Surgery and Foot & Ankle Specialist.

DAVID DELUCCIA, LPO

David is an Ohio Licensed Prosthetist Orthotist that practices at American Orthopedics in Columbus, Ohio. He has previously served as President of the State Board of Orthotics, Prosthetics and Pedorthics. He is a lower extremity orthotic specialist with a subspecialty of post-operative care of amputees. In addition, David frequently lectures to the orthopedic, vascular, and neurosurgery physicians at The Ohio State University, OhioHealth and other medical facilities in Central Ohio about the latest orthotic and prosthetic interventions and their clinically appropriate usage.

LARRY DIDOMENICO, DPM

Dr. DiDomenico is in private practice in Youngstown. He is an adjunct professor at the Kent State University College of Podiatric Medicine. The Director of Reconstructive Rearfoot and Ankle Surgical Fellowship and the Director of Residency Training at Northside Hospital.

ELIZABETH HEWITT, DPM

Dr. Hewitt is a graduate of the Kent State University College of Podiatric Medicine. She completed her surgical residency at Grant Medical Center where she was chief resident from 2008-2009. Dr. Hewitt is board certified in foot and reconstructive rearfoot surgery. She completed a reconstructive external fixation fellowship at the Instituto Clinico in Milan Italy. She is a member of the APMA, the OHFAMA and president of Foot and Ankle Physicians of Ohio in central Ohio where she is in private practice.

KAREN LYNCH, CNP

Karen holds a certification in pain management nursing and has worked in the specialty of pain management at Grant Medical Center since 2004, providing a hospital wide consult service in acute pain management of complex patients. She is also skilled in managing acute pain patients with addiction background both with active opioid use disorders or those that are currently in recovery. She pro-

vides multimodal pain management which also includes non-pharmalogical measures. Karen actively participates in the education of podiatry residents and the Grant Family practice residents by providing individual guidance and experiences with acute pain management for complex hospitalized patients.

MARK PRISSEL, DPM

Dr. Prissel is a fellowship-trained foot and ankle surgeon specializing in complex foot and ankle reconstruction including total ankle replacement, arthroscopic cartilage restoration, deformity correction, sports medicine, post-traumatic reconstruction and revision surgery of the foot and ankle. Prior to the fellowship, he completed an extensive three-year surgical residency at Gundersen Medical Foundation in La Crosse, Wisconsin, where he served as Co-Chief Resident and is a graduate of Scholl College. He has authored several scholarly publications and was the recipient of the 2013 ACFAS Manuscript Award of Excellence, while receiving 2nd place in 2014 and 3rd place in 2016.

BRET SMITH, DO

Dr. Smith received his master's and medical degrees from the Philadelphia College of Osteopathic Medicine. He completed his internship and residency at Doctors Hospital, Ohio University, in Columbus, Ohio, and completed a fellowship in foot and ankle surgery at the Orthopedic Foot and Ankle Center in Columbus. Dr. Smith's specialties and clinical interests include total ankle replacement, bunion and hammertoe disorders, arthritis of the foot and ankle, deformity correction (Taylor Spatial Frame), charcot arthropathy, foot and ankle trauma, flatfoot and tendon transfers.

REBECCA SUNDLING, DPM, MPH

Dr. Sundling is a graduate of Scholl College of Podiatric Medicine and completed her residency at Grant Medical Center. She spent this past year as APMA's Public Health Fellow at The Dartmouth Institute for Health Policy and Clinical Practice (TDI). During that time, Dr. Sundling studied many aspects of the health-care field, expanding her knowledge in patient-centered health care. Throughout the course of the year, Dr. Sundling partnered with James DiResta, DPM, MPH, and the Massachusetts Podiatric Medical Society (MPMS) to work on a project assessing and addressing pain management education in podiatric residency in light of the opioid epidemic.

RANDALL THOMAS, DPM

Dr. Thomas practices at the Clintonville/Dublin Foot and Ankle Group in Columbus, Ohio. He is the Assistant Director of the Grant Medical Center Foot and Ankle Surgery Residency Program and is involved with the Riverside Methodist Hospital Critical Limb Center. Dr. Thomas specializes in foot and ankle reconstructive surgery including limb salvage, charcot, trauma, and revisional cases. He is a graduate of Barry University and completed his residency training at Grant Medical Center.
