FOREFOOT CHALLENGES AND SOLUTIONS

7:30-7:45 MTP Fusion for HAV | Speaker – Dr. Prissel
7:45-8:00 Failed 1st MTP Arthroplasty to Fusion | Speaker – Dr. Blacklidge
8:00-8:15 Optimal Technique for 1st MTP Fusion | Speaker – Dr. Logan
8:15-8:30 HAV and Rotation: Have We Been Ignoring This? | Speaker – Dr. Blacklidge
8:30-9:00 Panel Discussion/Cases: Forefoot Revisions/Complications | Dr. DeCarbo – Moderator

FLATFOOT AND TENDON RECONSTRUCTION

9:00-9:15 FDL Transfer for PTTD | Speaker – Dr. Galli
9:15-9:30 The Utility of the NC Fusion | Speaker – Dr. Prissel
9:30-9:45 When FDL/MDCO Isn’t Enough | Speaker – Dr. DeCarbo
9:45-10:00 It’s Not Going Away: Insertional Achilles Tendinopathy | Speaker – Dr. Prissel
10:00-10:30 Panel Discussion/Cases: Tendon Cases/PTTD Cases | Dr. Dujela – Moderator
10:30-11:00 Break

TOTAL ANKLE REPLACEMENTS & RECONSTRUCTION

11:00-11:15 TAR Implant Selection and Rationale | Speaker – Dr. Sharpe
11:15-11:30 Scope Assisted Trauma ORIF | Speaker – Dr. Dujela
11:30-11:45 Solutions for Large OCD Lesions of Talus | Speaker – Dr. Scott
11:45-12:00 3D-printed Talus: Is This A Good Idea? | Speaker – Dr. Sharpe
12:00-12:30 Panel Discussion/Cases: TAR and Ankle Reconstruction Cases | Dr. Scott – Moderator
12:30-1:30 Lunch with Exhibitors

ANKLE AND SPORTS

1:30-1:45 Controversies in Lateral Ankle Ligament Reconstruction | Speaker – Dr. Galli
1:45-2:00 Arthro-Brostrum | Speaker – Dr. Cottom
2:00-2:15 What You Can Do with Ankle Arthroscopy | Speaker – Dr. Scott
2:15-2:30 Posterior Approach for OCD Lesions | Speaker – Dr. Logan
2:30-2:45 Plantar Fascia Scope | Speaker – Dr. Cottom
2:45-3:00 Break

PRACTICE BUILDING & MANAGEMENT

3:00-3:15 Private Practice vs Hospital Employment | Speaker – Dr. Hewitt
3:15-3:30 How to Succeed in a Large Ortho Group | Speaker – Dr. Galli
3:30-3:45 Regenerative Medicine in the Office | Speaker – Dr. Cottom
3:45-4:00 Armiotic Tissue and Treatment of Plantar Fasciitis | Speaker – Dr. Hewitt
4:00-4:30 Panel Discussion: Practice Management | Dr. Dujela – Moderator
4:30-5:30 Young Members Discussion and Happy Hour
2020 Conceptus in Foot and Ankle Surgery Symposium
Hosted by the Grant Podiatric Surgical Residency Program and the Ohio Podiatric Medical Association
Saturday, February 1, 2020 | 7:30 am – 4:30 pm
7 Category I CME Hours
Embassy Suites Columbus – Airport
2886 Airport Drive | Columbus, OH 43219

This one-day seminar will present current concepts and techniques in foot and ankle medicine and surgery. Presentations will include panel and case discussions reviewing foot and ankle challenges, flatfoot and tendon reconstruction, total ankle replacements and reconstruction, and practice management issues.

WHO SHOULD ATTEND
Podiatric Physicians, Residents and Students

OBJECTIVES
• Recognize and employ conservative and surgical care to commonly encountered foot and ankle conditions with evidence-based medical and surgical treatments
• Review foot and ankle challenges including fusion procedures and solutions
• Discuss reconstruction procedures for flatfoot, tendons and TAR
• Consider practice management options and your daily practice

ACCREDITATION
This program has been accredited by the Ohio Foot and Ankle Medical Foundation Continuing Medical Education Accreditation Committee (the certifying agency in Ohio for podiatry. CME credit is established at 7 Category I contact hours for the State Medical Board of Ohio.

Nondiscrimination
Exemption from medical registration or participation in any continuing education program provided by this Association for reasons of race, religion, sex, national origin or limited ability to pay is in accordance with Section 504 of the Rehabilitation Act of 1973, 28 CFR 35.104. Please notify OFAMP if you require special accommodation for training or attendance at (614) 457-6269.

REGISTRATION
Included with your registration is a light continental breakfast and lunch. Register online at www.ofamp.org; FAX: (614) 457-6269 or email to 2020 Surgical Symposium, 1650 Bethel Rd., Ste. 340, Columbus, OH 43220-1855. Make check payable to OFAMP. Registration closes on January 27, 2020. Registrations postmarked after that date will be charged the $25 on-site registration fee without exception.

CANCELLATIONS
A $25 administration fee will be charged. Cancellations must be received in writing to OFAMP prior to January 24, 2020. No refunds for cancellations will be honored after that date.

ON-SITE REGISTRATIONS
Online and faxed registration will close on January 27. Registration cannot be confirmed after that date. For on-site registration, add $25 to the appropriate registration fee.

CHANGES TO LECTURES OR SCHEDULES
Oftentimes our list of attendees is subject to adjustment or change any lecture or schedule due to unforeseen scheduling conflicts. Note: There are limited spaces and registrations are on a first come first served basis.

FACULTY DISCLOSURE
Each speaker is required to disclose the existence of any financial and/or other relationships (i.e., employee, consultant, speaker’s bureau, grant recipient, research support) she or he might have with (a) manufacturer(s) of any commercial product(s) to be discussed in his/her presentation, (b) commercial contributor(s) of the activity. Any such conflict will be announced at the beginning of the presentation.

FACULTY

CHRISTOPHER HYER, DPM - CHAIRMAN
Dr. Hyer is a fellowship trained foot and ankle surgeon and partner at the Orthopedic Foot and Ankle Center. This is a unique foot and ankle specialty practice comprised of fellowship-trained MD, DO and DPM foot and ankle surgeons and where Dr. Hyer is Co-director of the Advanced Foot and Ankle Reconstruction Fellowship. Dr. Hyer is the Resident Director of the Grant Podiatric Surgical Residency Program. Dr. Hyer is a very active regional, national and international speaker. He is also interested in forefoot, rearfoot and ankle trauma, total ankle replacement and flatfoot.

MICHAEL DUJELA, DPM
Dr. Dujela practices in Centralia, Washington and graduated from the University of California at San Francisco in 2000. He is certified in Reconstructive Hindfoot and Ankle Surgery by the ABFAS. Dr. Dujela serves as the national chairman of the Education and Scientific Affairs Committee for the ACFA. He also serves as a Scientific Affairs Committee for the Journal of Foot & Ankle Surgery and President of the OHFAMA.

ELIZABETH HEWITT, DPM
Dr. Logan graduated from the University of Texas Medical Branch in Galveston in 2000. She is board certified in forefoot and rearfoot surgery and is fellowship trained in Reconstructive Hindfoot and Ankle Surgery by the ABFAS. Dr. Logan is board certified in Reconstructive Foot and Ankle Surgery by the American Board of Foot Surgery. She serves as the Journal of Foot & Ankle Surgery and Foot & Ankle Specialist.

WILLIAM DECARBO, DPM
Dr. DeCarbo completed a three-year podiatric surgical residency at Grant Medical Center where he served as Chief Resident. He completed a twelve-month orthopedic foot and ankle fellowship at the Orthopedic Foot & Ankle Center in Columbus, Ohio and is fellowship trained in Ilizarov External Fixation traveling fellowships both internationally and nationally. Dr. DeCarbo specializes in forefoot, rearfoot and ankle trauma and has over twenty peer-reviewed publications. He is also the editor for the Journal of Foot & Ankle Surgery and Foot & Ankle Specialist.

DOUGLAS BLACKLIDGE, DPM
Dr. Blacklidge graduated from the Pontiac Podiatric Medical School and was awarded the outstanding graduating student of podiatric surgery. He completed his podiatric medical education at the Cleveland Clinic in Cleveland, Ohio. He completed a fellowship in foot and ankle reconstruction at the Foot and Ankle Medical Center Hospitals. This included participation in the Diabetic Foot Clinic with the multispecialty Diabetes Center at Wayne State University's Health Center. Dr. Blacklidge completed a Trauma and Ortho- surgical fellowship at an AO Foot and Ankle Residency in Mainz, Germany. He has also completed additional fellowship training in Reconstructive Foot and Ankle Surgery. Dr. Blacklidge practices with a multispecialty medical group practice in Indiana. He has lectured and published on a variety of foot and ankle surgery topics and has helped advance podiatric surgical techniques such as joint fusions, internal fixation and peripheral nerve procedures.

RAOUF CORNIG, DPM
Dr. Cornig completed a medical diploma at Scholl College and completed his residency in reconstructive and trauma surgery of the foot and ankle at the Detroit Medical Center. Dr. Cornig is extensively trained in the conservative and surgical treatment of diabetic conditions affecting the lower extremity. Ankle, foot and ankle trauma, reconstruction, and limb deformity surgery. He completed an AO Reconstructive Residency and Fellow- ship in Kurgan, Russia, focusing on the limb level to limb amputation and reconstruction. He has given over twenty peer-reviewed publications in peer-reviewed professional journals and is an active reviewer for the Journal of Foot & Ankle Surgery and Foot & Ankle Specialist.

MICHAEL DUJELA, DPM
Dr. Dujela practices in Centralia, Washington and graduated from the University of California at San Francisco in 2000. He is certified in Reconstructive Hindfoot and Ankle Surgery by the ABFAS. Dr. Dujela serves as the national chairman of the Education and Scientific Affairs Committee for the ACFA. He also serves as a Scientific Affairs Committee for the Journal of Foot & Ankle Surgery and President of the OHFAMA.

ELIZABETH HEWITT, DPM
Dr. Logan graduated from the University of Texas Medical Branch in Galveston in 2000. She is board certified in forefoot and rearfoot surgery and is fellowship trained in Reconstructive Hindfoot and Ankle Surgery by the ABFAS. Dr. Logan is board certified in Reconstructive Foot and Ankle Surgery by the American Board of Foot Surgery. She serves as the Journal of Foot & Ankle Surgery and Foot & Ankle Specialist.

JOHN PRINCE, DPM
Mr. Prince is a fellow-trainied foot and ankle surgeon specializing in complex foot and ankle reconstructive surgery. He completed his fellowship with, and currently practices at the Cleveland Clinic. Prior to the fellowship, he graduated from Scholl College and completed an extensive training program at the Podiatric Medical Center in LaCrosse, Wisconsin, where he served as Co-Chief Resident. He has authored several scholarly publications and was the recipient of the 2015 ACFAS Manuscript Award of Excellence, while receiving 2nd place in 2014 and 3rd place in 2016.

RYAN SCOTT, DPM
Dr. Scott is a fellowship-trained, board-certified foot and ankle surgeon and is in private practice in Phoenix, AZ. His primary subspecialties include, arthroscopy of the foot and ankle, ligament and tendon repair and Primary and Revision Total Ankle Replacements. Dr. Scott is a past President of the Arizona Podiatric Medical Association and a past President of the Arizona Institute’s Foot & Ankle Advanced Reconstruction Fellowship.

JONATHAN SHARPE, DPM
Dr. Sharpe is a graduate of the Kent State University College of Podiatric Medicine (OCPM) and completed his residency at the Cleveland Clinic. He practices with Orthopedic Associates of Ohio and specializes in Foot and Ankle Reconstruction, total ankle replacement, foot and ankle reconstructive surgery and foot, rearfoot and ankle surgery.
