Hosted by the
Grant Podiatric Surgical Residency Program
and the OHFAMA Central Academy

SATURDAY, FEBRUARY 20, 2016
7:30 AM – 5:00 PM
7.5 CATEGORY I CME HOURS

2016 Current Concepts In FOOT AND ANKLE SURGERY SYMPOSIUM

Hosted by the Grant Podiatric Surgical Residency
Program and the OHFAMA Central Academy

Saturday February 20, 2016 | 7:30 am – 5:00 pm
7.5 Category I CME Hours

Embassy Suites Columbus Airport
2886 Airport Dr., Columbus, OH 43219

THIS ONE DAY SEMINAR will present current concepts and techniques in foot and ankle medicine and surgery. Presentations will include panel and case discussions reviewing charcot, OCD of the talus, total ankle replacement procedures and more with an expert faculty.

WHO SHOULD ATTEND

Podiatric Physicians, Residents and Students

OBJECTIVES

- Recognize and employ conservative and surgical care to commonly encountered foot and ankle conditions with evidence based medicine and updated techniques
- Discuss and solidify current concepts with new trends in foot and ankle pathology
- Measure quality of care with patients by considering treatment options for charcot, OCD of the talus, total ankle replacement procedures, sports injuries and hallux rigidus.

ACCREDITATION

This Seminar has been accredited by the Ohio Foot and Ankle Medical Association Continuing Medical Education Accreditation Committee (the certifying agency in Ohio for podiatry). CME credit is established at 7.5 Category I contact hours for the State Medical Board of Ohio. **Nondiscrimination:** No person shall be denied registration or participation in any continuing education program provided by this Association for reasons of race, religion, sex, national origin or physical ability. This program is ADA Compliant. Please notify OHFAMA if you require special accommodation for training or attendance at (614) 457-6269.

REGISTRATION

Included with your registration is a light continental breakfast and lunch. Register online at www.ohfama.org; FAX at (614) 457-3375; or mail to: 2016 Surgical Symposium, 1960 Bethel Rd., Ste 140, Columbus, OH 43220-1815. Make check payable to OHFAMA. Registration closes on February 15. Registrations postmarked after that date will be charged the \$25 on-site registration fee without exception.

CANCELLATIONS

A \$25 administration fee will be charged. Cancellations must be received in writing to OHFAMA prior to February 9, 2016. No refunds for cancellations will be honored after that date.

ON-SITE REGISTRATIONS

Online and faxed registration will be closed on February 15; registration cannot be confirmed after that date. For on-site registration, add \$25 to the appropriate registration fee.

CHANGES TO LECTURES OR SCHEDULES

OHFAMA reserves the right to adjust or change any lecture or schedule due to unforeseen scheduling conflicts. Note: There are limited spaces and registrations are on a first-come, first-served basis.

FACULTY DISCLOSURE

Each speaker is required to disclose the existence of any financial and/or other relationships (i.e., employee, consultant, speaker's bureau, grant recipient, research support) she or he might have with (a) manufacturer(s) of any commercial product(s) to be discussed during his/her presentation and/or (b) the commercial contributor(s) of the activity. Any such conflict will be announced by the individual introducing the speaker or by the speaker immediately preceding the lecture.

FACULTY

CHRISTOPHER HYER, DPM — CHAIRMAN

Dr. Hyer is a fellowship trained foot and ankle surgeon and partner at The Orthopedic Foot and Ankle Center, Westerville, Ohio. This is a unique foot and ankle specialty practice comprised of fellowship-trained MD, DO and DPM foot and ankle surgeons and where Dr. Hyer is Co-director of the Advanced Foot and Ankle Reconstruction Fellowship. Dr. Hyer is also the residency director of the Grant Medical Center Podiatric surgery residency and serves on the board of directors of the

ACFAS. Dr. Hyer is a very active regional, national and international speaker on foot and ankle reconstruction, orthobiologics and bone marrow aspirate, foot and ankle trauma, total ankle replacement and charcot foot salvage. Dr. Hyer is a dedicated researcher with over 90 peer reviewed published articles in addition to multiple textbook chapters and technique papers.

STEVE BRIGIDO, DPM

A nationally recognized surgeon, educator, and researcher on ankle arthritis and total ankle replacement. Dr. Stephen Brigido is a Diplomate of the American Board of Podiatric Surgery, a Fellow of the American College of Foot and Ankle Surgeons, and is board certified in both foot surgery and rearfoot/ankle surgery. His focus is in adult reconstruction of the foot and ankle, ankle arthritis, and ankle replacement surgery, as well as treatment of cartilage injuries related to sports injuries. Dr. Brigido is also active in product development and continuing education. He is a regular presenter and lecturer at national and international foot and ankle courses. His research and development interests include acellular regenerative tissue scaffolds and foot and ankle reconstruction.

PATRICK BULL, DO

Dr. Bull attended the Philadelphia College of Osteopathic Medicine and came to Columbus to complete a rotation with the OFA physicians and also completed his residency in Ohio. Following graduation he entered active duty service with the United States Air Force (USAF) and was promoted to Chief of Orthopedic Surgery of the 374th Medical Group. He was deployed across the Pacific Rim with missions that provided medical support to the President of the United States and the White House Staff during the East Asia Summit meeting in Cambodia. Following his military service he returned to Columbus to complete his fellowship training which specialized in foot and ankle surgery.

RANDALL CONTENTO, DPM

Dr. Contento received his degree from Temple University School of Podiatric Medicine in 2005. He completed a four year Advanced Foot and Ankle Reconstructive Surgery residency at the University of Pennsylvania Presbyterian Medical Center in 2009 and has been practicing in the Columbus area for 5 years. Dr. Contento's interests include Forefoot and Rearfoot reconstruction, Bunion Repair, Fractures, Ankle Pathology and Limb Salvage.

JOSEPH DANIEL, DO

Dr. Daniel is a board certified foot and ankle surgeon. His areas of expertise include treatment of foot and ankle trauma, reconstructive surgery for sports injuries, arthritis, diabetes, stroke and other neuromuscular conditions. He completed residency at Walter Reed Army Medical Center in orthopaedic surgery. Dr. Daniel has contributed to six publications including *The Journal of Rheumatology*, *Orthopedics*, *Clinical Orthopaedics and Related Research* and *The American Journal of Sports Medicine*.

WILLIAM DECARBO, DPM

Dr. DeCarbo completed a three year podiatric surgical residency at Grant Medical Center in Columbus, Ohio where he served as chief resident. Dr. DeCarbo completed a 12-month orthopedic foot and ankle fellowship at the Orthopedic Foot and Ankle Center in Columbus, Ohio. He completed a six week traveling fellowship both nationally and internationally learning advanced techniques in foot and ankle surgery. Dr. DeCarbo is active in research in the field of foot and ankle surgery and his research is published in peer reviewed professional journals. He also is a review editor for the Journal of Foot & Ankle Surgery and Foot & Ankle Specialist.

JONATHAN GOLDSMITH, DPM

Dr. Goldsmith completed his residency in foot and ankle surgery and trauma at Grant Medical Center in Columbus, Ohio. He is board certified in foot and reconstructive rearfoot/ankle surgery by the American Board of Podiatric Surgery. Dr. Goldsmith is an active lecturer and researcher on foot and ankle surgery. He lectures nationally on a variety of topics including corrective flat foot surgery and preservation of the diabetic foot.

ELIZABETH HEWITT, DPM

Dr. Hewitt is a graduate of the Kent State University College of Podiatric Medicine (OCPM). Dr. Hewitt completed her surgical residency at Grant Medical Center where she was chief resident from 2008-2009. Dr. Hewitt is board certified in foot and reconstructive rearfoot surgery. She is a partner at Step Lively Foot and Ankle Centers in central Ohio.

JONATHAN SHARPE, DPM

Dr. Sharpe is a graduate of the Kent State University College of Podiatric Medicine (OCPM) and completed his residency at the Cleveland Clinic. He practices with Orthopedic Associates of Lake County. Dr. Sharpe's areas of interest include trauma reconstruction, total ankle replacement, foot and ankle reconstructive surgery and forefoot, rearfoot and ankle surgery
