

ONE HUNDRETH ANNUAL OHIO FOOT AND ANKLE

# Scientific Seminar

June 9-11, 2016

**25 CONTACT CME HOURS**

Presented by the  
**Ohio Foot and Ankle Medical Association**  
at the Columbus Hilton at the Easton Town Center in  
Columbus, Ohio  
[www.ohfama.org](http://www.ohfama.org)

# Schedule at a Glance

| <b>Thursday, June 9, 2016</b>  | <b>Course Title</b>   | <b>Presenter(s)</b>   |
|--------------------------------|---|---|
| 7:00 - 9:30 AM                 | <b>100th Annual Foot and Ankle Scientific Seminar Welcome and Course Introduction</b><br><b>Diabetic Fundamentals</b>   | Richard Schilling, DPM<br><br>Robert Brightwell, DO; Windy Cole, DPM<br>Lawrence DiDomenico, DPM; Lawrence Harkless, DPM;<br>Mitch Silver, DO |
| 9:30 - 10:00 AM                | <b>BREAK—Exhibit Hall / Easton Grand Ballroom</b>   |   |
| 10:00 - 11:30 AM               | <b>Surgical and Non-Surgical Treatment for Diabetic Foot Infections</b>   | Randall Contento, DPM; Lawrence Harkless, DPM;<br>Warren Joseph, DPM; Roger Marzano, CPO, CPed; Brad Mehl, DPM                                |
| 11:30 AM - 1:00 PM             | <b>Lunch and Learn (Pick up tickets in Exhibit Hall.)</b><br><b>A. Acelyt: KCI and Systagenix—Healing Complex Wounds with a Spectrum of Products and Incorporating Procedures such as Epidermal Grafting</b><br><b>B. ProScan Imaging—Basic Concepts of Musculoskeletal Imaging with Emphasis on the Lower Extremity: Ligaments, Tendons &amp; Bones!</b><br><b>C. CSI—A Modern Approach in Collaborating to Treat Critical Limb Ischemia</b> | Andy Bhatia, DPM<br><br>Richard Rolfes, MD<br><br>Krishna Mannava, MD and Richard Schilling, DPM  |
| 1:00 - 3:00 PM                 | <b>Scientific Paper Competition: Presentations from Podiatric Physician Residents in Ohio</b>   | Robert Brarens, DPM, Chair  |
| 1:00 - 3:00 PM                 | <b>Amerx Workshop: Essential Wound Care Products and Protocols for Your Practice: In-Office Pearls to Streamline ICD-10 Coding &amp; Compliance</b>   | Jonathan Moore, DPM   |
| 2:00 - 3:00 PM                 | <b>WVPMA Membership Meeting</b>   |   |
| 3:00 - 3:30 PM                 | <b>BREAK—Exhibit Hall / Easton Grand Ballroom</b>   |   |
| 3:30 - 5:30 PM                 | <b>PICA Risk Management Lecture—Doctor-Patient Communication: Improving Patient and Physician Satisfaction</b>  | Ron Hofeldt, MD   |
| 5:30 - 6:30 PM                 | <b>PICA Welcome Reception</b>   |   |
|                                |   |   |
| <b>Friday, June 10, 2016</b>   | <b>Course Title</b>   | <b>Presenter(s)</b>   |
| 7:30 - 9:30 AM                 | <b>Diabetic Reconstruction and Bone Biopsies</b>  | Lawrence DiDomenico, DPM; John Grady, DPM; Brad Mehl, DPM;<br>Laurence Rubin, DPM; Jeff Shook, DPM; Randall Thomas, DPM;<br>Bud Visser, DPM   |
| 9:30 - 10:00 AM                | <b>BREAK—Exhibit Hall / Easton Grand Ballroom</b>   |   |
| 10:00 - 12:00 PM               | <b>The Surgical Reconstruction of the Charcot Foot and Ankle</b>  | Randall Contento, DPM; Lawrence DiDomenico, DPM; Robert Mendicino, DPM; Laurence Rubin, DPM; Jeff Shook, DPM                                  |
| 12:00 PM - 1:30 PM             | <b>LUNCH—Exhibitors' Marketplace—Easton Grand Ballroom</b>  | Sponsored by Kent State University College of Podiatric Medicine  |
| 1:30 - 3:00 PM                 | <b>Forefoot Surgery</b>   | John Grady, DPM; Elizabeth Hewitt, DPM; Robert Mendicino, DPM;<br>Randal Thomas, DPM; Bud Visser, DPM   |
| 1:30 - 3:30 PM                 | <b>Bako Workshop—Podiatric Dermatology for Today's Lower Extremity Clinician: A "Hands-On" Workshop</b>   | Brad Bakotic, DPM, DO   |
| 3:00 - 3:30 PM                 | <b>BREAK—Exhibit Hall / Easton Grand Ballroom</b>   |   |
| 3:30 - 5:30 PM                 | <b>Cavus Foot Reconstruction</b>  | Lawrence DiDomenico, DPM; John Grady, DPM; Jeff Shook, DPM;<br>Bud Visser, DPM  |
| 5:30 - 7:00 PM                 | <b>OCPM Foundation Reception</b>  |   |
| 7:30 AM - 5:30 PM              | <b>Assistants Program</b>   |   |
|                                |   |   |
| <b>Saturday, June 11, 2016</b> | <b>Course Title</b>   | <b>Presenter(s)</b>   |
| 7:30 - 9:30 AM                 | <b>Fractures</b>  | George Gumann, DPM; Elizabeth Hewitt, DPM;<br>Robert Mendicino, DPM; Jeff Shook, DPM  |
| 9:30 - 9:45 AM                 | <b>BREAK—Exhibit Hall / Easton Grand Ballroom</b>   |   |
| 9:45 - 11:30 AM                | <b>Ankle Arthritis</b>  | Lawrence DiDomenico, DPM; George Gumann, DPM;<br>Elizabeth Hewitt, DPM; Robert Mendicino, DPM; Jeff Shook, DPM;<br>Bud Visser, DPM            |
| 11:30 AM - 1:00 PM             | <b>Lunch and Learn (Pick up tickets in Exhibit Hall.)</b><br><b>D. Orthofix—Biophysical Stimulation of Bone Repair: Cellular Mechanisms and Clinical Approaches</b><br><b>E. Organogenesis—Shifting The Antimicrobial Paradigm: A Novel Purified Collagen Matrix And Antimicrobial Technology For Wound Management</b><br><b>F. Osiris—Real World Practice: Managing Complex Cases with Cryopreserved Viable Human Placental Products</b>     | James Ryaby, PhD<br><br>Adam Teichman, DPM<br><br>R. Dan Davis, DPM   |
| 1:00 - 3:45 PM                 | <b>Cases, Cases, Cases—Forefoot, Midfoot, Hindfoot and Ankle</b>  | Lawrence DiDomenico, DPM; John Grady, DPM<br>Robert Mendicino, DPM; Laurence Rubin, DPM; Jeff Shook, DPM;<br>Bud Visser, DPM                  |

# Scientific Seminar

**Dr. Lawrence DiDomenico**  
Scientific Co-Chair

**Dr. Robert Mendicino**  
Scientific Co-Chair

**Dr. Thomas McCabe**  
Exhibit Hall Chair

**Dr. Robert Brarens**  
Resident Competitions Chair

## Many Thanks to Our Volunteers

The 100th Annual Foot and Ankle Scientific Seminar would like to recognize these OHFAMA members who have served as volunteers to ensure the success of this meeting.

**Dr. Lawrence DiDomenico**  
Scientific Co-Chair

**Dr. Robert Mendicino**  
Scientific Co-Chair

**Dr. Robert Brarens**  
Resident Competitions Chair

**Dr. Thomas McCabe**  
Exhibit Hall Chair

### OHFAMA Board of Trustees

**President**  
Dr. Richard Schilling

**Immediate Past President**  
Dr. Corey Russell

**First Vice President**  
Dr. Thomas McCabe

**Second Vice President**  
Dr. Animesh Bhatia

**Secretary/Treasurer**  
Dr. Alan Block

### Trustees

- Dr. Brian Ash
- Dr. Sarah Abshier
- Dr. Michael Bodman
- Dr. Chris Bohach
- Dr. Marc Greenberg
- Dr. Mark Gould
- Dr. David Kaplansky
- Dr. Richard Kunig
- Dr. Heather Petrolla
- Dr. Anastasia Samouilov
- Dr. Pam Sheridan
- Mr. Nathan Rossi

### Staff

- Jimelle Rumberg, PhD, CAE
- Luci Ridolfo, CAE
- James McLean
- Sarah Wenger

## Mission Statement for The Annual Ohio Foot and Ankle Scientific Seminar

The OHFAMA's educational mission is to purposefully advance the art and science of podiatric medicine by providing the highest quality of didactic and clinical learning experiences to OHFAMA members, non-members, and their medical assistants, and shall include a variety of instructional sessions aimed at significantly enhancing patient care, treatment protocols and practice efficiency. The program may include interactive educational adult learning methods and principles utilizing lectures, panel discussions, point-counterpoint, excuse the interruption forums, case studies, question and answer, handouts, audio visual materials (including media or narrations), hands-on workshops and roundtable discussions with moderators to achieve a well-rounded venue of postgraduate instruction. (ADOPTED APRIL 2011)

### KEY GOAL

To achieve 25 Hours of CME Category I in evidenced based podiatric medicine for professional development.

### OBJECTIVES

Upon conclusion of the Annual Seminar, podiatric physicians will be able to:

- be knowledgeably informed or remember information regarding podiatric conditions, maladies or circumstances relating to the practice of medicine and podiatry
- extrapolate by comprehension, understanding or perception the insight gained via lecture and discussion relating to the practice of medicine and podiatry
- formulate or infer by application case relevance relating to the practice of medicine and podiatry
- distinguish by analysis the appropriate modalities in the treatment, care and protocols of current trends, application and practices of medicine in podiatry
- generalize, synthesize, or deduce by classification ways to develop treatment protocols based on current literature and evidenced based medicine
- compare, contrast and evaluate judgment values for those ideas presented between medical and surgical applications

# Welcome!

## Welcome to The 100th Annual Ohio Foot and Ankle Scientific Seminar

### Continental Breakfast & Breaks

Included with your registration, join us in the Exhibit Hall for a light daily continental breakfast and for all scheduled breaks on Thursday and Friday. On Saturday, join us in the Conference Center Lobby area for breakfast and breaks.

### Lunch and Learns

Thursday and Saturday will offer 3 diverse Lunch and Learn options. Enjoy a private 90 minute lunch with lecture hosted by one of our sponsors with the opportunity to earn CME credit. Tickets must be picked up at the sponsors exhibit booth.

**Each session is limited to 40 registrants and tickets are available on a first-come, first-served basis.**

### Exhibitors' Marketplace on Friday

Lunch (included with your registration) is provided to all registered attendees in the Exhibit Hall at the Marketplace. This event is 90 minutes – exclusive with all exhibitors. No CME is provided; there are no opposing lectures. You must wear a name tag for admittance.

**Be sure to visit all exhibitors and have your Play To Win Cards marked for your chance to win door prizes during the Friday afternoon break. Exhibitors' participation supports the podiatric profession. Please let them know how much you value their presence and participation at The Annual Seminar.**

### Exhibit Hall

Exhibits are Thursday and Friday only. You must wear a name tag for admittance. Scanning will occur in the Exhibit Hall in selected areas prior to 11:00 AM and 4:00 PM daily. Exhibits will dismantle after the 3:30 PM break on Friday afternoon.

### Scanning

Participants must be scanned prior to 11:00 am and 4:00 pm. NCR forms attesting to attendance per session must be

completed and remitted before conference departure.

### General Information

A confirmation email will be sent following receipt of your registration. Registration materials, including scanning information, will be provided in your registration packet. To receive member pricing, you must be a current OHFAMA or APMA member. We suggest that you bring a sweater or jacket to ensure your comfort at all sessions. CPME hours do not apply to practice management sessions. Please remit your CME signature sheet (white copy) before your hotel departure. You retain the yellow file copy.

### Nondiscrimination

No person shall be denied registration or participation in any continuing education program provided by this Association for reasons of race, religion, sex, national origin or physical ability. This program is ADA Compliant. Please notify OHFAMA if you require special accommodation for training or attendance at (614) 457-6269.

### Registration

You must sign for your Annual seminar packet at the OHFAMA Registration desk. Total CME credit 25 contact hours.

### Thursday Hours

9.5 total hours. Include 1.5 hours for Lunch and Learn (only if attending).

### Friday Hours

7.5 total hours.

### Saturday Hours

8 total hours. Include 1.5 hours for Lunch and Learn (only if attending).

### Conference Attendance

Registration and payment does not automatically result in the issuance of any CME credit. OHFAMA has two methods of attendance verification; scanning and an NCR form. Attendees will be scanned twice each day to verify attendance. The paper NCR form attests that you have attended the program for the number of CME hours awarded. Please retain one copy for your file for state licensure audit. A signed copy is required to receive the Certificate of Attendance from OHFAMA. Please remit your CME white copy signature sheet before your hotel departure at the OHFAMA registration desk.

### Consent to Use of Photographic Images

Registration and attendance at or participation in OHFAMA meetings, academy functions and other activities constitutes an agreement by the registrant to OHFAMA's use and distribution (both now and in the future) of the registrant or attendee's image in photographs, videotapes, and electronic reproduction of such events and activities for marketing and professional use.

### Cancellations

A \$50 administration fee will be charged. Cancellations must be received in writing to OHFAMA prior to May 13, 2016. No refunds for cancellations will be honored after that date.

### Online Registration

Register online at [www.ohfama.org](http://www.ohfama.org); FAX at (614) 457-3375; or mail to: 100th Annual Foot and Ankle Scientific Seminar, 1960 Bethel Rd., Ste. 140, Columbus, OH 43220-1815. Make check payable to OHFAMA. Registration closes on May 27. *Registrations postmarked after that date will be charged the \$50 on-site registration fee without exception.*

### On-Site Registrations

Online and faxed registration will be closed on May 27; registration cannot be confirmed after that date. After May 27, you must register on-site at the meeting. For on-site registration, add \$50 to the above fees (excludes residents, students, guests, Life Members).

### Changes to Lectures or Schedules

The Annual Seminar reserves the right to adjust or change any lecture or schedule due to unforeseen scheduling conflicts, registration, or as otherwise deemed necessary. Note: There are limited spaces for selected events; registrations are on a first come first served basis.

### Hotel Rates

A special discounted room rate for our conference is \$177 per night plus tax. Reservations must be made by May 8, 2016. Individuals cancelling a reservation must do so by 4 PM the day prior to their scheduled arrival date or a charge of one night's room and tax will be charged to the individual's credit card.

Mention you're with the OHFAMA to receive the discounted rate. Rooms go quickly. Reserve yours as soon as possible! For reservations, call (614) 414-5000 or go to [www.hilton.com](http://www.hilton.com) and use the group code: OPA.

Thank you for using the Columbus Hilton at Easton for your hotel reservations for the Annual Seminar. By utilizing OHFAMA's room block, we are able to reduce the overall costs associated with producing the seminar. These savings allow OHFAMA to offer reduced registration and special events that are included in the registration.

### Hotel Location

The Columbus Hilton is located at the Easton Town Center, featuring over 100 of the area's finest shops, restaurants, entertainment and nightspots. Easton offers upscale shopping, family entertainment and many dining options. The Hilton Columbus is conveniently located at 3900 Chagrin Drive, near the intersection of US I-270 and Easton Way, adjacent to Easton Town Center. For specific driving directions, go to [www.columbusoh.hilton.com](http://www.columbusoh.hilton.com) and click on Directions and Transportation.

### CPME and CME Credit

This Seminar has been accredited by the Ohio Foot and Ankle Medical Association as an approved sponsor by the Council on Podiatric Medical Education as well the OHFAMA Continuing Medical Education Accreditation Committee (the certifying agency in Ohio for podiatry). CPME and CME credit is established at 25 total contact hours for the State Medical Board of Ohio. Hours are calculated from the electronic badge scanners. Complete scanning hours and locations will be provided on-site in your packet. Please note: Registration and payment do not automatically result in the issuance of continuing education contact hours. Scanned name badges and NCR CME forms verify attendance. The attendee must attest that he or she has attended the program for the number of continuing education contact hours awarded.

### Audience

The intended audience for The Annual Seminar is physicians, resident physicians, students of podiatric medicine, and podiatric assistants. For physicians

and students the skill, knowledge or experience is equated with their scholarship, license limitations or practice area. Presentations are post-graduate physician level. Our venues provide participants the opportunity to question the faculty or offer comments to the program content. Continuing education hours are based on clock hours. This program has been validated for 25 contact hours and CME hours in Ohio.

### Name Badges

An OHFAMA name tag will be required for all Annual Seminar attendees and does not automatically result in the issuance of any CME hours.

### PICA

PICA policyholders who attend the PICA risk management lecture at the 2016 Annual Foot and Ankle Scientific Seminar are eligible to earn up to a 15% premium discount on their insurance renewal. Following the PICA lecture a Welcome Reception will be hosted by PICA for all Annual Seminar registrants on Thursday from 5:30-6:30 PM. We hope to see you there!

### Staff Contact

Jimelle Rumberg, Ph.D., CAE  
Executive Director  
Phone: (614) 457-6269  
Email: [jrumberg@ohfama.org](mailto:jrumberg@ohfama.org)

### For CME Validation or Certificates

Luci Ridolfo, CAE  
Director of Education and Membership  
Phone: (614) 457-6269  
Email: [lridolfo@ohfama.org](mailto:lridolfo@ohfama.org)

### Program Responsibility

OHFAMA maintains responsibility for the programming selection.

### Disclosure

Each speaker is required to disclose the existence of any financial and/or other relationships (i.e., employee, consultant, speaker's bureau, grant recipient, research support) she or he might have with (a) manufacturer(s) of any commercial product(s) to be discussed during his/her presentation and/or (b) the commercial contributor(s) of the activity. Any such conflict will be announced by the individual introducing the speaker or by the speaker immediately preceding the lecture.

# 2016 Faculty

## **Sarah Abshier, DPM**

Dr. Abshier is in a private practice in Columbus Ohio and also at a wound care center as a board certified wound care specialist. She is the current president of the Ohio Foot & Ankle Central Academy and a member of the Board of Trustees for OHFAMA. She volunteers for the Central Ohio Diabetes Association & was recently published on Podiatry Today.

## **Brad Bakotic, DPM, DO**

Dr. Bakotic is a graduate of Barry University and the University of New England where he received a Doctor of Osteopathy. He continued his education in pathology. He completed pathology residencies at Baystate Medical Center in Springfield, Massachusetts and at the Mount Sinai Medical Center in Miami Beach, FL. He also completed fellowships at Memorial Sloan-Kettering Cancer Center in New York and at the Ackerman Academy of Dermatopathology in New York.

## **Animesh (Andy) Bhatia, DPM**

Dr. Bhatia serves on the APMA Coding Committee and is the Assistant Medical Director of the Wound Clinic at the Fairfield Medical Center. He is a board certified wound specialist, a Fellow of the American Professional Wound Care Association, and a Board of Trustee and Fellow of the American Academy of Podiatric Practice Management.

## **Robert Brarens, DPM, FACFAS**

Dr. Brarens is in private practice in the Cincinnati area. He is the residency director at Jewish Hospital Kenwood. Dr. Brarens had the privilege of attending the St. Vincent Charity Hospital 36-month Surgical Residency Training program under the directorship of Dr. Gerard V. Yu, FACFAS.

## **Robert Brightwell, DO**

Dr. Brightwell is a Clinical Assistant Professor of Vascular Surgery and the Program Director of the General Vascular Surgery Residency at Ohio University College of Osteopathic Medicine/Doctors Hospital. Board Certifications include General Surgery and Vascular Surgery, American Osteopathic Board of Surgery. He is a Fellow with the American College of Osteopathic Surgeons. He is a member of the College of Osteopathic Surgeons, American Osteopathic Association, Ohio State Medical Association, Ohio Osteopathic Association, the Columbus Surgical Society and a Charter Member of the Vascular Access Society of the Americas.

## **Windy Cole, DPM**

Dr. Cole graduated with honors from KSUCPM (OCPM), and completed her surgical residency training at University Hospitals in Cleveland. She is board certified by the American Board of Podiatric Surgery and a Fellow of the American College of Foot and Ankle Surgeons. Dr. Cole serves as a wound care physician in multiple outpatient facilities. She is the Director of Wound Care Services for Cleveland Regency Hospitals and University Hospital Ahuja Medical Center.

## **Randall Contento, DPM**

Dr. Contento received his degree from Temple University School of Podiatric Medicine in 2005. He completed a four-year Advanced Foot and Ankle Reconstructive Surgery residency at the University of Pennsylvania Presbyterian Medical Center in 2009 and practices in the Columbus area for 5 years. Dr. Contento's interests include Forefoot and Rearfoot reconstruction, Union Repair, Fractures, Ankle Pathology and Limb Salvage.

## **R. Daniel Davis, DPM**

Dr. Davis is a Bucknell University graduate. He completed Podiatric medical school at the Temple University School of Podiatric Medicine and completed his residency at Parkview Hospital in Philadelphia. He has been a speaker on various topics in wound care for over fifteen years. He is a diplomat of ABFAS, ABPM, ASPS, and is CMET certified in wound care. He received his certification to monitor HBO at Ohio State University. Dr. Davis has been a member of the wound care center team at St. Vincent's Medical Center in Trumbull, CT since its development seven years ago.

## **Lawrence DiDomenico, DPM**

Dr. DiDomenico is the Managing Partner of the Ankle and Foot Care Centers in Youngstown. He is an adjunct professor at the Kent State University College of Podiatric Medicine and is the Director of Reconstructive Rearfoot and Ankle Surgical Fellowship. He is a graduate of the KSUCPM (OCPM), holds numerous certifications and is licensed in six states. Dr. DiDomenico is well published and is a nationally recognized podiatric speaker/surgeon.

## **John Grady, DPM**

Dr. John Grady graduated from the Illinois College of Podiatric Medicine and completed his residency at Youngstown Osteopathic Hospital. He is chief of podiatry and director of the podiatric surgical residency program at the VA Chicago Healthcare. Awards received include the Dr. William M. Scholl College of Podiatric Medicine Alumns of the Year, the Milo Turbo Award, the Scholl Medallion and the APMA's Award of Excellence. He is board certified by the American Board of Foot and Ankle Surgery, the American Board of Podiatric Orthopedics and Primary Podiatric Medicine, and the American Academy of Wound Management.

## **George Gumann, DPM**

Dr. Gumann is the Podiatric Service Chief of the Foot and Ankle Service Orthopedic Clinic, Martin Army Hospital, Ft. Benning, Georgia. Professional Organization relationships include Fellow, American College of Foot and Ankle Surgeons; Diplomate, American Board Podiatric Surgery and Federal Service Podiatric Medical Association. He is the author of Fractures of the Foot and Ankle.

## **Lawrence Harkless, DPM**

Dr. Harkless is a graduate of the California School of Podiatric Medicine. He completed his internship at UTHSCSA and his residency at Atlanta Medical Center. He is the founding Dean of the College of Podiatric Medicine and Professor of Podiatric Medicine, Surgery and Biomechanics at Western University of Health Sciences. Dr. Harkless, is a founding member and past board of directors member of the ADA Council on Foot Care. He is past president of the NPMA and the TXPMA. Dr. Harkless is a Distinguished Practitioner in the National Academies of Practice.

## **Elizabeth Hewitt, DPM**

Dr. Hewitt is a graduate of the Kent State University College of Podiatric Medicine (OCPM). Dr. Hewitt completed her surgical residency at Grant Medical Center where she was chief resident from 2008-2009. Dr. Hewitt is board certified in foot and reconstructive rearfoot surgery. She is a partner at Step Lively Foot and Ankle Centers in central Ohio.

## **Ronald Hofeldt, MD**

Dr. Ron Hofeldt is the Medical Director and Consultant for Wellness Development

Group. He is a psychiatrist of thirty-plus years in clinical private practice focusing on treatment and support of physicians and their families. For the past two decades he has served as a consultant to medical organizations and medical malpractice insurance companies providing apology and disclosure training; developing and implementing programs in peer mentoring and physician health, wellness and resiliency; and supporting individual healthcare practitioners impacted by adverse events and the litigation process.

## **Warren Joseph, DPM**

Dr. Joseph graduated from the William M. Scholl College of Podiatric Medicine. He completed his residency program in podiatric medicine and surgery at St. Joseph's Hospital. He did a one-year fellowship in infectious diseases at Hahnemann University School of Medicine. He is board certified by the American Board of Podiatric Orthopedics & Primary Podiatric Medicine. Dr. Joseph is a Consultant on Lower Extremity Infectious Diseases.

## **Krishna Mannava, MD**

Dr. Mannava completed an accelerated college/medical program at Northeastern Ohio Medical University. His general surgery training was completed at Case Western University Hospitals, followed by vascular surgery training at the Ochsner Clinic. Dr. Mannava returned to Ohio in 2009 to develop a new vascular program. He is currently the Chief of Surgery and Director of Vascular Services at Fairfield Medical Center and Medical Director of Columbus Vascular Care. Dr. Mannava's primary focus remains clinical vascular surgery with an emphasis on endovascular therapy for peripheral arterial disease, aortic aneurysms and venous disorders.

## **Robert Mendicino, DPM**

Dr. Mendicino is board certified in foot surgery and rearfoot and ankle reconstructive surgery and is a member of the Education and Scientific Committee for the American College of Foot and Ankle Surgeons. Dr. Mendicino received his podiatric medical degree from Rosalind Franklin University of Medicine and Science, Scholl College of Podiatric Medicine and completed his surgical residency at Loretto Hospital, both in Chicago, Illinois. He completed his undergraduate education at California University of Pennsylvania in California, PA. He has decades of experience in ankle replacement and reconstruction, he also specializes in arthroscopy of the ankle, deformity correction, foot and ankle surgery and limb salvage.

## **Roger Marzano, CPO, CPed**

Roger Marzano is certified by the American Board for Certification in Orthotics, Prosthetics and Pedorthics. He has been with Yanke Bionics for over thirty years and serves as VP of Clinical Services, Marketing and Sales. Roger is a graduate of the University of Akron and Northwestern University's Prosthetics and Orthotics Program (NUPOC). Roger is a Past President of the Pedorthic Footcare Association. He specializes in lower extremity disorders, particularly involving post-polio syndrome and Charcot-Marie Tooth disease. Mr. Marzano has significant experience in managing those with diabetes, arthritis and the disorders associated.

## **Brad Mehl, DPM, FACFAS**

Dr. Mehl is a graduate of the College of Wooster and the Ohio College of Podiatric Medicine. He completed his residency training at the University of Utah. His board certifications include Diplomate -

American Board of Podiatric Surgery, Foot Surgery and Reconstructive Rearfoot and Ankle Surgery. Hospital affiliations are with Grant Medical Center, OSU Medical Center and Riverside Methodist Hospital.

## **Jonathan Moore, DPM**

Dr. Jonathan Moore received his Doctor of Podiatric Medicine degree from the California College of Podiatric Medicine. Dr. Jonathan Moore is a managing partner at Cumberland Foot & Ankle in Somerset, Kentucky. Since 2005, he has been on the Board of Trustees American Academy of Podiatric Practice Management. He has had numerous articles published in Podiatry Management and Podiatry Today magazines and his work has also been published in peer-reviewed scientific journals.

## **Cindy Pezza, PMAC**

Cindy Pezza began her career in specialty practice management in 2002. She is the President and CEO of Pinnacle Practice Achievement, LLC. Cindy travels nationally as a speaker and program coordinator for state and national medical organizations, provides private office consultations, teaches practice management related classes to future podiatrists at KSUCPM and Scholl College of Podiatric Medicine at Rosalind Franklin University. She serves as COO for Podiatric Super Group Management, LLC, and writes frequent articles and responses for podiatric journals and publications.

## **Richard Rolfe, MD**

Dr. Rolfe is the Associate Medical Director of Proscan Imaging. He is fellowship trained in Magnetic Resonance Imaging, specializing in Musculoskeletal MRI with 20 years of experience and with a subspecialty in imaging of the ankle, foot & toes. He is co-author of a book entitled *MRI of the Foot & Ankle* published in 2002, lectures frequently on foot & ankle imaging and is co-author of a paper on the use of MRI in evaluation of the plantar plate published in the Journal of Foot & Ankle Surgery in 2012.

## **Laurence Rubin, DPM**

Dr. Rubin is currently in private practice in Mechanicsville, VA, is certified with the American Board of Podiatric Surgery and is a Fellow with the American College of Foot and Ankle Surgeons. He has many affiliations including the APMA, The Journal of Foot and Ankle Surgery and is on the Editorial Board for Clinics in Podiatric Medicine and Surgery.

## **Jim Ryaby, PhD**

Dr. Ryaby, joined Orthofox as Chief Scientific Officer in July 2013 after serving as a consultant. Before joining the company, he served as VP of Research and Clinical Affairs for musculoskeletal applications at Mesoblast. Dr. Ryaby was Senior VP of Research and Clinical Affairs and Chief Scientific Officer at OrthoLogic Corp. where he led the development of the CMF technology for spine fusion and nonunions and the TP508 peptide therapeutic development program in orthopedic and diabetic ulcer applications. Jim received his Ph.D. degree in cellular and molecular biology from the Mt. Sinai School of Medicine, New York.

## **Richard Schilling, DPM**

Dr. Schilling is a graduate of the Ohio College of Podiatric Medicine and is in private practice in Columbus, Ohio. He is Board Certified and Fellowship trained in foot and ankle surgery. He completed his residency in St. Louis, MO at DePaul Hospital and his fellowship at the Weil

Foot and Ankle Institute. He is a fellow of the American College of Foot and Ankle Surgeons. Dr. Schilling is a past president of the OHFAMA Central Academy and is currently the president of OHFAMA. Dr. Schilling is a faculty instructor for the Grant Medical Center podiatric residency program.

## **Dr. Jeff Shook, DPM**

Dr. Shook practices in West Virginia and is board certified by the American Board of Podiatric Surgery. He has extensive teaching and academic experience which includes publications, involvement with residency training programs, functioning as a consultant for orthopedic device companies, working as contributing editor for both podiatric and orthopedic journals and currently serving as Adjunct Faculty position and the co-chairperson for the continuing medical education at KSUCPM.

## **Mitchell Silver, DO, FACC, FABVM**

Dr. Silver practices with MidOhio Cardiology and Vascular Consultants. He is the Director of Vascular Imaging at the McConnell Heart and Vascular Hospital, the Director of the Section of Cardiovascular Medicine and the Cardiac Catheterization Laboratory at O'Brien Memorial Hospital. He is a clinical associate professor of cardiology at Ohio University of Osteopathic Medicine and is on the editorial board for the Journal of Cardiot and Neurovascular Intervention.

## **Adam Teichman, DPM**

Dr. Teichman graduated from California College of Podiatric Medicine. His podiatric medical and surgical internship was completed at Madigan Army Medical Center and Tacoma Veterans Affairs Hospital. He completed his surgical residency at St. Mary's. Dr. Teichman is a member of the ACFAS, ABPS, APMA, PPMA, the American Professional Wound Care Association (APWCA), American Academy of Podiatric Sports Medicine (AAPSM).

## **Randall Thomas, DPM**

Dr. Thomas practices at the Clintonville/Dublin Foot and Ankle Group in Columbus, Ohio. He is the Assistant Director of the Grant Medical Center Foot and Ankle Surgery Residency Program, Vice President of the Ohio Foot and Ankle Medical Association Central Academy, and is involved with the Riverside Methodist Hospital Critical Limb Center. Dr. Thomas specializes in foot and ankle reconstructive surgery including limb salvage, charcot, trauma, and revisional cases. He is a graduate of Barry University and completed his residency training at Grant Medical Center.

## **John 'Bud' Visser, DPM**

Dr. Visser graduated from the KSUCPM (OCPM). Dr. Visser is a Diplomate of the American Board of Podiatric Surgery as well as the American Board of Podiatric Medicine. He is a Fellow of the American College of Foot and Ankle Surgeons. Dr. Visser has served as President of the Missouri Podiatric Medical Association 1985-1988. Dr. Visser was awarded "Podiatrist of the Year" in 1995 and the Meritorious Service Award from the American Podiatric Medical Association in 1997. Dr. Visser has been Director of Residency Training in Podiatric Surgery at Mineral Area Regional Medical Center since 1985. He assumed the role of Director of Residency Training in Podiatric Surgery for DePaul SSM Health Center in 2012.

# Physicians Program

## The One Hundredth Annual Scientific Seminar

June 9-11,  
2016

## Columbus Hilton Hotel at Easton

### THURSDAY June 9, 2016

Easton Regent Ballroom |  
Columbus Hilton

#### 7:00 - 9:30 AM

Speakers: Robert Brightwell, DO  
I Windy Cole, DPM | Lawrence  
DiDomenico, DPM | Lawrence  
Harkless, DPM | Mitch Silver, DO

#### Diabetic Fundamentals

Objective: This session will discuss the fundamentals of the diabetic foot, including: identifying peripheral vascular disease, foot infections as well as options of treatment. Treatment options include understanding and having knowledge of updated wound care products, mechanical and negative pressure therapy and split thickness skin grafting.

#### 9:30 - 10:00 AM | BREAK

Exhibit Hall | Easton Grand  
Ballroom

#### 10:00 - 11:30 AM

Speakers:  
Randall Contento, DPM |  
Lawrence Harkless, DPM |  
Warren Joseph, DPM | Roger  
Marzano, CPO, CPed | Brad  
Mehl, DPM

#### Surgical and Non-surgical Treatment for Diabetic Foot Infections

Objective: This session will discuss how to debride wounds (when and how much/how often), when to perform amputations and to what level. The session will review how to perform palliative and salvage procedures and to understand the risk of managing this patient population.

#### 11:30 - 1:00 PM | LUNCH AND LEARN

Tickets available in Exhibit Hall at Sponsor Booths. Tickets available for 40 physicians per session (sorry, guests cannot be included).

#### Acelity: KCI and Systagenix | Session A

Andy Bhatia, DPM

Lunch and Learn Provided by  
Acelity: KCI and Systagenix

#### Healing Complex Wounds with a Spectrum of Products and Incorporating Procedures such as Epidermal Grafting

Objective: Attendees will review different advanced wound

dressings and the appropriate use of products for the wound presentation. Discussion will include reviewing the literature and progression of epidermal grafting techniques and the current advances in epidermal grafting procedure and techniques. Attendees will review case studies incorporating all of the above aspects during the spectrum of healing complex wounds and there will be a hands-on demonstration and practice.

Acelity Companies

#### ProScan Imaging | Session B

Richard Rolfes, MD

Lunch and Learn Provided by  
ProScan Imaging

#### Basic Concepts of Musculoskeletal Imaging with Emphasis on the Lower Extremity:

#### Ligaments, Tendons & Bones!

Objective: Attendees will gain understanding of the basic concepts of MSK imaging findings & interpretation from the radiologist's perspective. Discussion will include examples of MR imaging & terminology of the various grades of injury encountered for tendons, ligaments and bones of the lower extremity, and attendee will gain knowledge of each. The relative value/role of x-ray, CT & MRI in imaging the lower extremity will be discussed. Attendees will have the opportunity to ask a foot & ankle imaging subspecialist questions about MSK imaging.

#### CSI | Session C

Krishna Mannava, MD and  
Richard Schilling, DPM

Lunch and Learn Provided by CSI

#### A Modern Approach in Collaborating to Treat Critical Limb Ischemia

Objective: Attendees will discuss the benefits of early

intervention and when should you refer for a vascular consult? Discussion will include when vascular intervention is necessary and what vascular intervention can do to improve patient outcomes in your practice.

#### 1:00 - 3:00 PM

#### Gerard V Yu, DPM Scientific Paper Competition

Robert Brarens, DPM - Chair

#### Scientific Paper Competition:

Presentations from Podiatric  
Physician Residents in Ohio  
Objective: Compare the  
presentations of five surgical or  
diagnostic cases by podiatric  
physician residents.

American College of  
Foot and Ankle Surgeons®  
Proven leaders. Lifelong learners. Changing lives.

#### 1:00 - 3:00 PM

#### Amerx Workshop

Jonathan Moore, DPM

#### Essential Wound Care

Products and Protocols for  
Your Practice: In-Office Pearls  
to Streamline ICD-10 Coding &  
Compliance

#### 3:00 - 3:30 PM | BREAK

Exhibit Hall | Easton Grand  
Ballroom

#### 3:30 - 5:30 PM

#### PICA Risk Management Lecture

Ron Hofeldt, MD

#### Doctor-Patient Communication: Improving Patient and Physician Satisfaction

Objective: Attendees will be able to identify communication issues within the doctor-patient relationship contributing to malpractice litigation. The session will discuss the mutual value of improving the doctor-patient relationship/communication and review common barriers to effective communication following an adverse clinical event. The discussion will highlight important considerations to preserving or restoring the doctor-patient relationship when

discussing adverse events or delivering bad news to patients or families.

#### 5:30 - 6:30 PM

#### PICA Welcome Reception Regent Foyer

### FRIDAY June 10, 2016

Easton Regent Ballroom  
Columbus Hilton Hotel

#### 7:30 - 9:30 AM

Speakers: Lawrence  
DiDomenico, DPM | John  
Grady, DPM | Brad Mehl, DPM  
| Laurence Rubin, DPM | Jeff  
Shook, DPM | Randall Thomas,  
DPM | Bud Visser, DPM

#### Diabetic Reconstruction and Bone Biopsies

Objective: The session will discuss the indications, contra-indications and the techniques of the following surgeries: Gastrocnemius recession and Percutaneous calcaneal displacement osteotomy. Attendees will discuss how to manage the underlying pathologies with diabetic reconstructive surgery and how to manage the diabetic foot in a stage approached treatment. The discussion will include how often and when bone biopsies are needed. Attendees will evaluate managing mid-foot exostecomies and posterior muscle lengthening and management of heel wounds via osteotomy or parital calcaneotomy.

#### 9:30 - 10:00 AM | BREAK

Exhibit Hall | Easton Grand  
Ballroom

#### 10:00 - 12:00 PM

Speakers:  
Randall Contento, DPM |  
Lawrence DiDomenico, DPM  
| Robert Mendicino, DPM |  
Laurence Rubin, DPM | Jeff  
Shook, DPM

#### The Surgical Reconstruction of the Charcot Foot and Ankle

Objective: Attendees will understand the indications,

contraindications and management of the surgical reconstruction of the Charcot Foot and Ankle. This includes different anatomical locations and different types of fixation.

**12:00 – 1:30 PM | LUNCH**  
Exhibitor's Marketplace (lunch included with your registration) | Easton Grand Ballroom

Sponsored by Kent State University College of Podiatric Medicine

**1:30 – 3:00 PM**  
Speakers: John Grady, DPM | Elizabeth Hewitt, DPM | Robert Mendicino, DPM | Randal Thomas, DPM | Bud Visser, DPM

**Forefoot Surgery**  
Objective: Attendees will understand the fundamentals of the forefoot surgery including indications and the associated pathologies, contraindications, techniques and fixation options.

**1:30 – 3:30 PM**  
**Bako Workshop**  
Brad Bakotic, DO, DPM

**Podiatric Dermatology for Today's Lower Extremity Clinician: A "Hands-On" Workshop**

**3:00 – 3:30 PM | BREAK**  
Exhibit Hall | Easton Grand Ballroom

**3:30 – 5:30 PM**  
Speakers:  
Lawrence DiDomenico, DPM | John Grady, DPM | Jeff Shook, DPM | Bud Visser, DPM

**Cavus Foot Reconstruction**  
Objective: This presentation will review how to diagnose a cavus foot deformity, understand the indications, contraindications, techniques and fixation options while treating the cavus foot deformity.

## SATURDAY June 11, 2016

Easton Regent Ballroom  
Columbus Hilton Hotel

**7:30 – 9:30 AM**  
Speakers: George Gumann, DPM | Elizabeth Hewitt, DPM | Robert Mendicino, DPM | Jeff Shook, DPM

**Fractures**  
Objective: Attendees will review how to diagnose and manage trauma of the foot and ankle. Discussion will include understanding the optimum timing of surgery including the indications, contraindications, fixation techniques and post-operative management while treating these fractures.

**9:30 – 9:45 AM | BREAK**

**9:45 – 11:30 AM**  
Speakers:  
Lawrence DiDomenico, DPM | George Gumann, DPM | Elizabeth Hewitt, DPM | Robert Mendicino, DPM | Jeff Shook, DPM | Bud Visser, DPM

**Ankle Arthritis**  
Objective: Attendees will understand how to diagnose ankle joint arthritis and recognize any associated deformities. The attendees will understand the indications, contraindications, techniques and fixation options for ankle arthritis.

**11:30 – 1:00 PM | LUNCH AND LEARN**  
Tickets available in Exhibit Hall on Thursday and Friday ONLY  
Tickets available for 40 physicians per session (sorry, guest cannot be included)

**Lunch and Learn | Session D**  
James Ryaby, PhD

*Lunch and Learn Provided by Orthofix*

**Biophysical Stimulation of Bone Repair: Cellular Mechanisms and Clinical Approaches**  
Objective: Attendees will gain in depth knowledge of PEMF stimulation and clinical efficacy. The session will discuss Biophysical stimulation and new clinical research breakthroughs.

**Lunch and Learn | Session E**  
Adam Teichman, DPM

*Lunch and Learn Provided by Organogenesis*

**Shifting The Antimicrobial Paradigm: A Novel Purified Collagen Matrix And Antimicrobial Technology For Wound Management**

Objectives: This session will review the impact of biofilm on non-healing chronic wounds. Attendees will review PHMB and its antimicrobial properties and discuss the clinical benefits of collagen and PHMB.

Organogenesis inc.  
Advancing Healing

**Lunch and Learn | Session F**  
R. Dan Davis, DPM

*Lunch and Learn Provided by Osiris*

**Real World Practice: Managing Complex Cases with Cryopreserved Viable Human Placental Products**

Objectives: This session will review the healing benefits of a viable (cellular) amniotic membrane. Discussion will include how to recognize the effects of the different types of processing and preservation of placental membrane and its' overall impact on the ECM/growth factors and cells.

**1:00 – 3:45 PM**  
Speakers:  
Lawrence DiDomenico, DPM | John Grady, DPM | Robert Mendicino, DPM | Laurence Rubin, DPM | Jeff Shook, DPM | Bud Visser, DPM

**Cases, Cases, Cases: Forefoot, Midfoot, Hindfoot and Ankle**  
Objective: Attendees will understand how to recognize and diagnose forefoot, midfoot, hindfoot and ankle pathologies. The session will review how to understand, diagnose and recognize the treatment options for these conditions.

# Support Podiatric Resident Research

## Gerard V. Yu, DPM Scientific Paper Competition

“Dr. Gerard Yu’s life was a living testament to embody the highest standards and principles of both professional and personal conduct, while achieving nationally the highest standards of medical and surgical proficiency with an ongoing and continual dedication to excellence.”

— FROM DR. BRUCE BLANK, PAST PRESIDENT OF OHFAMA AND A FORMER STUDENT OF DR. YU.

The Gerard V. Yu, DPM Scientific Paper Competition will be held on Thursday, June 9, 2016. This is an opportunity for active resident members of the Ohio Foot and Ankle Medical Association to showcase their talent and hard work in the presentation of their research.

## The OHFAMA Abstract Poster Competition

The OHFAMA Abstract Poster Competition will be displayed in the Regent Foyer for attendees to review Case Studies and Scientific Studies submitted by resident members. This additional competition format further represents Dr. Yu’s life’s work in education and his personal belief in excellence in presentation format.

# Workshops

## Essential Wound Care Products and Protocols for Your Practice: In-Office Pearls to Streamline ICD-10 Coding & Compliance Thursday, June 9, 2016

**Time: 1:00 – 3:00pm**

*Presented by:*  
Jonathan Moore, DPM

Attendees will learn what products and services equate to quality outcomes.

The workshop will discuss why collagen powders can have an immediate and positive impact on certain chronic wounds. Attendees will discuss pearls and key elements of compliance and coding regarding wound care

products and services in the podiatric practice. The workshop will review the vital importance and essential ingredients of a “diabetes center of excellence” with the goal of improving outcomes and compliance.

## Podiatric Dermatology For Today's Lower Extremity Clinician: A “Hands-On” Workshop Friday, June 10, 2016

**Time: 1:30 – 3:30pm**

*Presented by:*  
Brad Bakotic, DO, DPM

Attendees will review various dermatological

manifestations of both systemic disease, and localized neoplastic conditions, which often go undiagnosed in podiatric practices. The utility of various techniques, including

fine needle aspiration, will be discussed and the indications for each will be summarized in the context of a “hands-on” workshop. There will be discussion and demonstration regarding the significance of epidermal nerve fiber density analysis, and the subtle, but important differences between this technique and a routine punch biopsy of skin.

## Wright Medical Cadaver Lab – Please join us on Friday June 10, 2016

Please join us for a **Hands-On Cadaver Lab** where attendees will gain experience with a variety of Wright Medical Forefoot, Midfoot, & Rearfoot products.

For more information please contact your Wright Medical Sales Rep.

*To register please contact:*

# OCPM FOUNDATION

## FRIDAY June 10, 2016

7.5 Hours CE Approved by the  
American Society of Podiatric  
Medical Assistants (ASPMA)

**7:30 am – 7:45 am**  
**Welcome and Introduction**

**7:45 am – 8:15 am**  
Cindy Pezza, PMAC  
**Anatomy and Terminology for  
the Podiatric Assistant**

Grab some coffee and a muffin  
and join us as we get to know  
each other and gain a more  
in depth understanding of the  
commonly treated conditions  
and symptoms that our patients  
present with.

**8:15 am – 9:00 am**  
Cindy Pezza, PMAC and Jessica  
Rhoads, PMAC  
**Making a Lasting Impression  
on your Patients/Customer  
Service**

Front desk and back office team  
members are the first lines of  
communication and have the  
ability to dramatically impact  
our patients' first impression of  
a practice. Here we will explore  
the importance of mastering  
effective communication skills  
from initial encounter and  
beyond, assuring that every  
team member is representing  
the practice with the utmost  
professionalism.

**9:00 am – 9:30 am**  
Cindy Pezza, PMAC  
**A Little Less Talk**  
Scheduling tricks and tech-  
niques to keep our doctors mov-  
ing, our fellow team members  
smiling and our patients return-  
ing year after year.

**9:30 am – 10:00 am**  
**BREAK**

**10:00 am – 10:45 am**  
Cindy Pezza, PMAC  
**In-Office Dispensing— Great  
for your Patients, Great for  
your Practice**  
Join us as we review the latest  
and greatest in dispensing  
products that will improve pa-  
tient compliance, satisfaction,  
outcome and practice revenue,  
as well as the staff's role in

dispensing (and the rewards  
involved for all).

**10:45 am – 11:30 am**  
Sarah Abshier, DPM  
**Preparation is Half the Battle**  
Preparing for the patient day can  
mean the difference between  
controlled chaos and mayhem!  
Join us as we discuss tips for  
both front and back office that  
will allow us to stay a step  
ahead of our patients, and two  
ahead of the doctor!

**11:30 am – 12:00 pm**  
Jessica Rhoads, PMAC  
**Making Staff Meetings More  
Tolerable**  
Every team member needs to  
understand their responsi-  
bilities in order to work together  
towards common goals. Whether  
you have worked in your office  
for 20 years or 3 weeks, it is es-  
sential that protocols, systems,  
and methods are incorpo-  
rated into ongoing training and  
education programs to assure  
consistency in handling common  
situations and difficult issues.  
Join us as we discover the  
benefits of increased efficiency  
as well as patient and team  
satisfaction, when education,  
training, and improvement are  
made top priorities.

**12:00 pm – 1:30 pm**  
**LUNCH**

**1:30 pm – 1:45 pm**  
Cindy Pezza, PMAC  
**When Did the Podiatry Practice  
Become a Financial Planning  
Institution?**  
Learning how to collect what is  
owed, in a firm yet empathetic  
manner is not just a skill, it's  
an art. Join us as we share the  
secrets of getting paid faster by  
your insurance carriers as well  
as your patients.

**1:45 pm – 2:30 pm**  
Andy Bhatia, DPM  
**Triage, Evaluate, and Treat**  
Effective triage (according to  
medical necessity and practice  
impact) and efficient evaluation  
techniques that will save time,  
energy, and improve office flow  
(Group Participation a Must!)

**2:30 pm – 3:00 pm**  
David Bevan of Blue Orchid  
Marketing  
**Your Role in the Internal and  
External Marketing of your  
Practice**

In this presentation, we are  
going to discuss not only  
marketing ideas that work,  
but ideas you can take home  
with you and put into action  
immediately for your practice.  
We will focus not only on what  
the marketing ideas are, but  
also how to implement them into  
your practice in a streamlined  
fashion. If you're looking to  
take your practice to the next  
level through proven marketing  
ideas and strategies that can  
efficiently and effectively  
be implemented in a short  
period of time, then this is the  
presentation for you!

**3:00 pm – 3:30 pm**  
**BREAK**

**3:30 pm – 4:15 pm**  
Cindy Pezza, PMAC  
**The Impact of Developing Solid  
Treatment Protocols Together**  
Join us as we explore the  
importance of working as a  
team and putting "pen to paper"  
to further develop condition  
specific treatment protocols.  
Team members will return to  
their offices with the foundation  
for creating and implementing  
comprehensive plans for  
improving patient care and  
practice health. Paper and pen  
required!

**4:15 pm – 5:15 pm**  
Andy Bhatia, DPM  
**DME, Compliance, Coding and  
Recognizing Patients in Need**  
See how easily you can help  
your doctors increase patient  
satisfaction, compliance,  
outcome and practice revenue  
by offering the services and  
treatments that so many of your  
patients need. This lecture will  
provide the inspiration needed  
for physicians and their teams  
to return to the office and begin  
developing and implementing  
comprehensive treatment plans.

**5:15 pm – 5:30 pm**  
**PANEL**  
Open Q&A and to highlight  
pearls of the day

# Assistant Registration Form

Required items: Please help us ensure proper food quantity and classroom space. Check all that apply to your attendance.
